DOCKET FILE COPY ORIGINAL

PETITION FOR RULE MAKING

Scott County Broadcasting, Inc., respectfully requests that the Commission institute a rule making proceeding for the purpose of making the following amendment to Section 73.202(b) of the Commission's Rules:

<u>LOCATION</u>	<u>CURRENT</u>	<u>ADD</u>	<u>DELETE</u>	<u>COORDINATES</u>
Kirksville, KY	none	240A	none	37 38' 52"
(Madison County)				84 24' 40"

The addition of channel 240A to Kirksville, Kentucky, contemplated for some time, has only recently become possible, through the filing of application for license by Lincoln-Garrard Broadcasting Co., Inc. for WRSL-FM, Stanford, Kentucky, to cover its construction permit specifying a 'one step' change from channel 240A to channel 242C3 (BPH-941027IIG), released by Public Notice August 8,

1995, #23566. A copy of this notice is attached. Until completion of construction by WRSL, indicated by the filing of the aforementioned application for license, the availability of channel 240A for Kirksville, Kentucky, was precluded by shortspacing to WRSL-FM's licensed operation on channel 240A. We were informed by Commission staff that it is Commission policy not to accept contingent Rulemakings until after the construction was completed and license application made, since doing otherwise would create hopeless myriads of confusion.

Channel 240A licensed to Kirksville, Kentucky, will result in first local service to the community. Channel 240A can be allocated to Kirksville, Kentucky, with a site restriction 3.2 kilometer south of Kirksville. This restricted reference site (37 38' 52" 84 24' 40") meets minimum separation requirements to all current allocations, with the inclusion of the new WRSL facility on channel 242C3. Scott County Broadcasting, Inc. intends to apply for channel 240A if allocated to Kirksville and, if granted, will build the station promptly.

Kirksville meets the Commission's standards for a community. Kirksville has: three churches, general store, Kirksville Elementary School, a bank, subdivisions, its own water system and water tower, service station, tax service, and other businesses and social organizations.

Scott County Broadcasting, Inc. respectfully requests that the Commission amend Section 73.202(b) of the Rules to allocate channel 240A to Kirksville, Kentucky.

I, James P. Gray, President of Scott County Broadcasting, Inc. hereby certify the foregoing is true and correct and is not interposed for delay.

Respectfully submitted,

SCOTT COUNTY BROADCASTING, INC.

A handwritten signature in black ink, appearing to read "James P. Gray", is written over the printed name and title.
